

7.1 Biodegradable cleaners

BIOCLEAN INDUSTRIAL Biodegradable cleaner - removes oils, grease and mineral oils

PROPERTIES

Biodegradable cleaner, free of allergens, ammonia, phosphates and petroleum derivatives. Friendly to human and the environment, per the European directive EC 648/2004.

This specific directive governs the composition of detergents with respect to their biodegradability. It does not irritate hands and it does not cause any inhalation related problems during and after use. Dissolves and cleans oils and grease from automobile and boat engines, machine shops, tools and removes formwork oils (pic.1) without affecting surfaces.

APPLICATIONS

BIOCLEAN industrial biodegradable cleaner is suitable for removing grease and oils from car wash facilities, walls and floors, as well as machines and engines etc. Its high strength formula makes it essential for shipyards, aluminum and steel construction industries, as well as fuel refineries and ga-

rages (pic.2).

It easily breaks down burnt grease in ovens and grills without leaving any harmful residues.

USE

Spray the areas you want to clean and wait for a few minutes. Rinse with water. The resulting waste degrades safely, without accumulations.

For milder cleaning action, if needed, dilute the product with water in a ratio of 1: 1.

It can be used in combination with a cleaning machine, a professional or a domestic one.

TECHNICAL SPECIFICATIONS

Form	Liquid - Mild cleaner
Density	1.00±0.05 kg/lt
Scent	Long lasting fresh scent
Flammable	No
Does not release vapours	
Contains	Non-ionic surfactants are less than 5% Anionic surfactants are less than 5%
Friendly to human and the environment	

General Chemical State Laboratory Reg. No. 11295/0/2007
Permit No. by General Chemical State Laboratory ELEFSIS: 3093/2008

The product has been officially examined and certified by the following German institutes:

- FRESENIUS Institute
- BREGAU Institute for applied environmental technology

CONSUMPTION

1lt/12-14m² of surface.

STORAGE

Store in places protected from frost for at least 36 months from production date.

SAFETY DIRECTIONS

The product needs no hazard labeling under current European and National legislation. However it is recommended to keep away from the reach of children. If swallowed, seek immediate medical advice and show the container or label.

PACKAGING

Carton box with 18 pcs of 750ml each one
5lt, 20lt containers
1.000lt tank (special order)
